

State wise available list of Recycling Units of Used Lead- Acid Battery plates/Lead scrap/ashes/residue covered by ISRI, Code word “Rails”/ “Rains”/ “Rakes”

S.No	State	No. of units and their capacity
1.	Andhra Pradesh	21 recyclers were registered with capacity – 181118 MT
2.	Assam	As on August 2010, 03 recyclers were registered with capacity – 4500 MT
3.	Bihar	As on August 2010, 4 recyclers were registered.
4.	Chhattisgarh	As on August 2010, 05 recyclers were registered with capacity – 3308 MT
5.	Delhi	Nil
6.	Gujarat	20 recyclers were registered with capacity – 263830 MT
7.	Goa	Nil
8.	Haryana	37 recyclers were registered with capacity – 206740 MT
9.	Himachal Pradesh	09 No. units are registered and their total recycling capacity = 62233 MT
10.	J& K	As on August 2010, 09 recyclers were registered with capacity – 74960 MT
11.	Jharkhand	Nil. two units are still under consideration
12.	Karnataka	No. of registered recycler = 26 Nos., Total recycling capacity = 213904 MT
13.	Kerala	As on August 2010, 03 recyclers were registered with capacity – 3700 MT
14.	Madhya Pradesh	No. of registered recycler = 32 Nos., Total recycling capacity = 97460 MT
15.	Maharashtra	60 recyclers were registered with capacity – 194672 MT
16.	Manipur	There is no registered used Lead Batteries recycler in the state.
17.	Meghalaya	There is no registered used Lead Batteries recycler in the state.
18.	Mizoram	There is no registered used Lead Batteries recycler in the state.
19.	Nagaland	There is no registered used Lead Batteries recycler in the state.
20.	Orissa	There is no registered used Lead Batteries recycler in the state.
21.	Punjab	No. of registered recycler = 49 Nos., Total recycling capacity= 55, 790 MT
22.	Puducherry	There is no registered used Lead Batteries recycler in the state.
23.	Rajasthan	75 recyclers were registered with capacity – 317341 MT
24.	Tripura	There is no registered used Lead Batteries recycler in the state.
25.	Tamil Nadu	As on August 2010, 14 recyclers were registered with capacity – 77620 MT
26.	Uttar Pradesh	As on August 2010, 24 recyclers were registered with capacity – 121900 MT
27.	Uttarakhand	Nil
28.	West Bengal	There are 57 nos. registered. Total recycling capacity = 114686 MT
